

NORTHERN ALASKA TOUR COMPANY

Northern Alaska Tour Company **Departure Terminal—3820 University Avenue**

Parking is available for those guests with their own vehicle (parking is \$2 per day). Parking lot is East Ramp Parking Lot #2 and is located just past our terminal on the left (large gravel parking lot with a chain link fence around it). Guests without their own transportation will want to check with their hotel shuttle service or utilize one of the 24 hour taxi services available in Fairbanks to reach the Departure Terminal.

Upon your arrival into Fairbanks we invite you to call us if you have any questions about your experience.

Landmarks to look for: Once on the East Ramp of the airport you will see small planes on your right. Look forward and you will see a tall flight control tower. As long as the flight control tower is in front of you, you have not missed us (approx. 1 mile from the start of the East Ramp of the Airport). We are the first building on the right just beyond the flight control tower. There is a large sign on top of the building and by the front door that says “Northern Alaska Tour Company”.
